Announcements!

After much deliberation, Funkytown Flyers has made the decision to turn over the management of the Gateway mini to the locals at Gateway. After talking to tournament directors of other minis, holding a survey to determine interest (the most popular times were 3pm on Sat and 3pm on Sun), and discussing the issue amongst Funkytown board members and volunteers, the decision was made that running a mini at a particular park constituted a conflict of interest for the Flyers.

Local players have made the decision to schedule the mini for 3pm on Sundays. For more information, contact **Theth Sien** at **817-673-2026**.

Stay tuned for information about a possible upcoming mini series sponsored by Funkytown.
